

Deborah King

Deborah King is a *New York Times* best-selling author, a recognized media personality, and the world's leading authority on energy healing. Through her media appearances, standing-room only speaking engagements, and books, she has shown millions how to use energy to heal physical and emotional wounds.

Deborah is currently working on her next book, *Heal Yourself Heal the World*. It takes you on the energy adventure of a lifetime. Find out that you really do have the power to heal, meet your spiritual guides, learn shamanic tricks of the trade, and be entertained all the while.

A successful attorney in her 20s, Deborah's life was radically changed with a cancer diagnosis. Unwilling to undergo invasive surgery, she turned to alternative medicine... and experienced an amazing remission at the hands of a healer. Along the way, she conquered the alcohol and drug addictions she had used to bury an abusive childhood.

Deborah's entertaining personality and passion for ancient healing techniques have made her a leading media resource for a number of national and international outlets. She's made regular appearances on prime time news, including ABC, NBC, CNN, and Fox. She's also lent her insight - and wit - to entertainment television on shows like *Showbiz Tonight*, *Access Hollywood*, and *E!*, as well as guested on shows for *Gaiam TV* and *Veria*, cross-platform media venues that cater to the body/mind/spirit audience. Her most recent course, *Be a Modern Master*, was a big hit at *MindValleyAcademy.com*, the largest publisher of body/mind/spirit courses in the world. *W Magazine* calls Deborah "electrifying."

Deborah also enjoys a massive personal following with over 265,000 likes who follow her on Facebook, Twitter, Instagram and other social media outlets.

As a writer, Deborah weaves together a willingness to explore the unknown with clear tips and ideas any reader can use and understand. Her *New York Times* best-selling *Be Your Own Shaman*, *Truth Heals*, and *Entangled in Darkness* take you behind the scenes into the fascinating world of healers, sages, and shamans. Deborah is a featured contributor in a number of print and online publications, including *The Huffington Post* and *Psychology Today*.

As an energy healer and spiritual teacher, Deborah has honed her message of hope through nearly three decades of intense study and reflection. What truly separates her from so many others, however, isn't her fame – it's the compassion she shows for every person she meets. She feels strongly that her mission is to spread and share what she's learned to help others enjoy healthier, happier, more fulfilling lives.
